## HSE

### *Health, Safety & Environment*

The safety of our workforce is the most important aspect of our business, no exception.

NIGREC TECHNICALS aims to stay at the fore front of the industry and have adopted and developed HSE policies and management practices that sees the quality control of every task. Our Safety systems are in accordance with **Healthy and Safety** and they are instilled into our employees ensuring that our work is complete with zero harm as our #1 priority.

NIGREC TECHNICALS is committed to ensuring that our operations are conducted with zero harm to all people and the environment and the quality of our products and services are upheld and consistently maintained.

We empower our people to:

Intervene when they witness any 'at-risk' behavior

- ✓ Lead by example
- ✓ Identify and manage hazards associated with the activities for which they are responsible
- ✓ Courageously and honestly report all accidents and hazards
- ✓ Take the time to do things right; do the job
- ✓ safely or not at all – do not cut corners

**ZEROHARM**

# Our HSE Culture

All of our themes have supporting behaviors. The 'everyone' behaviors apply to all people regardless of their role.

The application of these behaviors will ensure that together we achieve alignment of policy, process and actions, which we regard as key to realizing our target of zero harm.

All of our themes have supporting behaviors. The 'everyone' behaviors apply to all people regardless of their role.

The application of these behaviors will ensure that together we achieve alignment of policy, process and actions, which we regard as key to realizing our target of zero harm.
